

## WHAT'S HAPPENING ????:

The Summer Holidays, that's what's happening!!

The Holiday Club this year will operate from Woodfield School on Wigan Lane as Sacred Heart is undergoing building work. We're all quite excited about this, as it will be a refreshing change for the children and staff. The school is lovely with lots of beautiful outside space we can utilise.

If you haven't booked already, please do so as soon as possible as spaces are filling up, especially the trips. Download the booking form from our website:

You can also view our itinerary there, as usual there's loads going on, so let's hope the weather's kind to us and we all have a great time!!

*STAFF NEWS:* Sad news for us, Kerry Bolton will be leaving Kids United at the end of Summer. She's decided she'd like to have a change of career. Kerry will be missed by us all, especially the staff as she's worked at Kids United a long time. We all wish her well in whatever she chooses to do in the future and will give her a good send off!!

Louise Lowe has joined us working between both sites. Louise comes highly recommended and is fitting in really well.
