

## WHAT'S HAPPENING ?????:

### WOODFIELD: RAISING MONEY FOR CHRISTIES HOSPITAL

- We're sorry to say that due to the unpredictable weather, our bouncy slide/cake stall couldn't go ahead ☹️. But, it has only been postponed, not cancelled!! We still need goods for raffles and to sell (cakes, biscuits, sweets) anything that you can do is always appreciated! Christies is always in need and we would love to donate a good amount to Christies 'Sky Technology Appeal'. Have a look on their website for info, but it's basically a big screen which can be placed on the ceiling to simulate the sky whilst patients are receiving treatment. It costs £220,000 per unit, but we can help! The kids can really connect and understand the benefits of this.
- We are also hoping to start a DVD library this term. Donations are always welcome, but we can do swaps as well.
- Our theme for this term is 'The Human Body' :-  
We'll be looking at 'THE MOUTH' - doing taste experiments. 'THE NOSE' - doing blindfold smell tests and snot experiments!, 'THE STOMACH' - The Active Living Team visits us talking about nutrition and running an exercise class. 'THE SKIN' - skin & body facts. 'MUSCLES' - Visit from a Nurse to chat with us about the human body.  
We hope this will be fun as well as educational, and any input from yourselves is always welcomed and appreciated!!

### SACRED HEART: PEOPLE WHO HELP US

Including: firemen, policemen, teachers, doctors, Kids United etc.  
Activities include: visit from firemen (and hopefully police). We are going to put Mr. Hall and Lynne under pressure in the kids interview room!! Arts & crafts, outdoor play, baking, first aid night, vets night and lots more fun!  
We also have new exciting 'menu ideas which the kids have put together.  
We will also be using number and word booklets to help our EYFS children (Nursery & Reception) work towards their objectives and carry on with spot observations to feed into the school profiles.

*NEW WEBSITE* : It's been a long time in the making, but finally here -
